

International Schools Premiums

International Private Medical Insurance

Valid from 1 January 2009

These rates apply to plans inception or renewed from 1 January 2009. These premiums are subject to annual review and are not guaranteed for the duration of your plan.

Calculating your premium

Working out the premiums you and your dependants will pay is easy. Here's how:

1. Select the currency you wish to pay in (GB £, US \$ or € Euros).
2. Select the International Schools Plan you want based upon your cover needs (Gold, Silver or Bronze).
3. Select the area of cover you require (see area of cover below).
4. Read across the premium table based upon your current age and that of any dependants.
5. Select the premium frequency you want (quarterly or yearly).
6. Select an excess option (if required) and adjust the premium based on the information below.

Please Note:

Any children on your plan will be priced as follows: child rate (0-17) applies to each child on the plan. Premiums for age band 75+ will be quoted at renewal. Where applicable, Insurance Premium Tax and other local taxes may need to be added to your premiums. Please contact us or your adviser for further details. Due to increased administration costs the annual total of any quarterly premiums will be higher than paying the premiums yearly. (Approximately 7.5% for quarterly). The premiums illustrated are rounded to the nearest whole number for ease of use.

Areas of Cover

Select the area of cover from the descriptions below, based upon the location of your country of residence and your home country if you require the option of returning to your home country for treatment.

Area 1: Europe

Area 3: Worldwide (includes USA)

Area 2: Worldwide, not including the USA (i.e Europe & rest of the world except USA)

Area 4: Australia and New Zealand

A list of countries and areas is available on our website: www.interglobalpmi.com

No Claims Discount

Your plan premiums are age-related and will increase as you get older. Your premiums will also increase in line with medical inflation. While your plan remains claims-free at each renewal the following no claims discounts will be applied:

Year 0	No discount	
Year 1	10% premium discount	
Year 2	15% premium discount	The maximum no claims discount is 20%
Year 3	20% premium discount	

If a claim is made during a plan year any no claims discount achieved will be lost and the status of your discount will be as at year 0 shown above.

If a claim relating to the previous plan year is subsequently submitted and accepted, and a no claims discount has already been given, InterGlobal Insurance Company Limited reserves the right to deduct the equivalent monetary amount of the no claims discount from the value of the claim.

The no claim discount applies only to your main International Schools Plan and not any add-ons you may have selected. Therefore claims against any add-ons will not affect your no claims discount. Use of the wellness benefit (if applicable on your plan) will not affect your no claims discount status.

It is important that you keep your premiums up to date and notify us immediately of any changes to your payment details.
